Greater Cleveland**

The Korean American Association of Greater Cleveland has extended an invitation to AFSA and adoptive families with Korean children to attend its Korean Liberation Day picnic. The picnic will be held in the Cleveland Metroparks' Brecksville Reservation in the Brecksville Park Meadow Picnic Area.

KAAGC has also asked AFSA to gather a team for volleyball and a team for a women's game to be played after the picnic. Please mention in your RSVP if you are interested in playing either game!

KAAGC is graciously providing lunch to our families so a headcount is needed, if interested in attending the picnic please contact Jennifer Sage.
